

# Junior and Senior Core Fellowships 2019/2020

**Institute for Advanced Study at Central European University**

## **Call for Applications**

**Deadline for Application: 5 October 2018**

The Institute for Advanced Study at CEU (IAS CEU) is pleased to invite applications for its core junior and senior fellowship programs for the academic year 2019/20. Fellowships are available in all research areas of the social sciences and humanities, broadly defined. Fellowships run for the full 9-month period (Oct-June), for the 3-month short fall semester (October-December), the 5-month fall semester (Oct-February) or the 6-month spring semester (Jan-June).

Each year, IAS CEU selects for this program some 15 fellows from an average of over 400 applicants. Fellows are chosen by a rigorous selection process, which includes stages of pre-selection and peer reviews as well as a final decision made by an independent, interdisciplinary and international Academic Advisory Board. The Institute is committed to the pursuit of cutting edge interdisciplinary scholarship and will seek innovative research proposals. Young scholars with demonstrable promise of excellence will be considered; established senior scholars are expected to have solid records of first rate scholarship. A primary criterion for selection is the expectation that each fellow's stay at the Institute will yield original and significant research results.

IAS CEU is a university-based institute for advanced study. It provides a stimulating environment in which fellows can devote themselves to research and share their work with peers through weekly seminars and other community programs. Fellows have access to all CEU facilities, including seminar and conference space, computer services, and library resources. They benefit from CEU's vibrant international atmosphere, its strong ties in the region of Central and Eastern Europe and its location right in the center of Budapest. IAS CEU facilitates the fellows' engagement with CEU and the Hungarian, regional and international scholarly community by encouraging collaborative projects, organizing joint public lectures and related activities.

Scholars at IAS CEU receive accommodation in the Raoul Wallenberg Guesthouse and a monthly stipend. Fellows are expected to reside in Budapest during their fellowship year, participate in the intellectual life of the Institute and pursue their research agenda.
